Solicitor's Report

Mr. Bulger noted that the address referenced in motion (1) from the Solicitor should be Waterfront Ridge Lane in Munhall, not Waterfront Drive.

Mr. Fetzko gave detail on motion (1) explaining the reason why the district should waive the interest for the potential buyer of property 104 Waterfront Ridge Lane, Munhall, PA 15120. Mr. Bulger added that this property is listed under contract.

Mr. Fetzko also explained motion (2) the approval of Act 57 of 2022 Resolution. This Act will allow new property owners, within one year of buying the property, to submit an application to the elected tax collector asking for relief of penalty and interest. By submitting the application the tax collector is mandated to do so. If the application is submitted after the 12 months of the property purchase, the property owner will have to pay the penalty and interest.

1.0 Financial Management

Ms. Guy asked why two replacements for voided checks for $5,669.05 are referenced on the monthly invoice report for the same check number for the Steel Valley Education Association (SVEA). Mr. Weber stated that he would follow up and see if this is something due to an address change.
Mr. Wehrer commented on motion (1.3) for the subsurface soil exploration on the site of the new elementary building from Cernica Engineering, Inc. He said there would be six (6) additional boring sites added to the proposal. These additional borings will be done around the high school, specifically around the gymnasium and pool because of leaking and subsidence. This will change the proposal quote from $19,987.63 to $22,982.63. If there is a chance that not all of the additional borings are needed, they will issue a credit.

Mrs. Karstetter commented on items (1.1.12) through (1.1.15) for the athletic fund balances. She asked if these represent fundraised money.
Mr. Bulger explained that item (1.1.15) reflect the fundraised money for the external groups (e.g. football boosters, soccer boosters, Park PTO). Mr. Bulger added that at some point these groups would be responsible for their own money and will not go through the district.
