Dr. Lawrence A. Griffin Senior Honors Awards Banquet

The Dr. Lawrence A. Griffin Senior Honors Awards Banquet was held at St. John's Cathedral Center on Wednesday, May 8, 2019. This is an annual banquet held for Steel Valley seniors who have maintained a minimum overall GPA of 3.25 and/or have been selected to receive one of the many local scholarship awards. The seniors and their parents/guardians, school board members, administrators, teachers and scholarship presenters enjoyed an evening of good food, good company, and inspirational speeches. The guest speaker, Ms. RyKai Wright, gave the audience a positive message about the many paths that you can take to find your way to success and to continue to persevere even through adversity.

Senior Class Valedictorian, Mr. Robert Vinay and Senior Class President, RaVyn Wright thanked the parents, teachers, administration, and most importantly, all of the presenters for their generous scholarship donations.

Mr. Shawn McCallister, Steel Valley Activities/Athletic Director and organizer of the event is extremely proud of the students and is very thankful to all of the community members who take part in this amazing evening to help support the Steel Valley students. "Our students were presented with a total of 74 awards that totaled $124,200 in scholarships through the generosity of our community. It was also great to have so many teachers, administrators, school board members, and presenters take time out of their evening to share in this memorable experience with our seniors. We are all so truly proud of this graduating class."
