

School Nurse News

SV Parents & Guardians & Students:

Welcome back!! We hope your family is healthy and enjoying the break. If your child developed any NEW health concerns or had changes in their current medical condition please provide documentation to your school nurse.

Please complete the following state mandates for health requirements:

Lead test- Kindergarten
Physical Exams- K, 6, and 11th Grades
Dental Exams- 1, 3 and 7 Grades

After you complete the examinations please send the original report to the health office with updated shot records. Providing us with this information will help our schools achieve state standards, assist with smooth transition to the next grade level, and keep

Why wait? Don't be late!
Per PA state law and Allegheny County regulations students CANNOT enter grade 7 or 12 without the following required immunizations:

GRADE 7: 1 dose of Tdap and 1 dose of Meningitis
GRADE 12: 1 dose of Meningitis on or after 16 years of age.

Remember to update asthma, allergy, seizure & medication packets each school year.

Decrease the spread of sickness and stay home if you are ill. Refer to the sick child guidelines for more information.

We are excited to welcome The Children's Hospital Ronald McDonald Care Mobile to our community for infants to age 21. This is a perfect opportunity to get those *physicals and vaccines* or have a *sick child* visit. Please call 412-352-1059 for questions or services. Look for the flyer on the SVSD webpage and Facebook for upcoming dates and locations.

We will be partnering with "VISION TO LEARN" program this year to provide FREE vision services and eyeglasses to students via mobile clinic during school hours.

WE NEED YOU in an emergency or urgent situation so please keep your phone number and contact information up to date. Please contact your school with any updates.

Hydration is important and we encourage you to bring a water bottle to school and use the touch less water filling stations.
