Steel Valley's Nick Harhai Heads to Gannon University

Munhall, PA – Congratulations to Nick Harhai on signing his National Letter of Intent to continue his academic and baseball careers at Gannon University. A member of the Ironmen pitching rotation since his freshman season, Harhai made an immediate impact when he threw a no-hitter in his first career appearance. Since then, he has amassed 108 career strikeouts while allowing only 75 total hits. His success as a pitcher tabbed him the starter for many playoff games during his career.

This past season, Harhai was the starting pitcher for the Ironmen in the WPIAL Class 3A Championship Game and helped the Ironmen capture their second WPIAL Championship in the past five years. Before heading off to be part of the Gannon pitching staff, Harhai will once again be looked upon to be a leader for the Ironmen during their 2020 campaign.

"We wish Nick well at Gannon University," said Steel Valley Athletic Director Shawn McCallister. "He will be a wonderful addition to their program. Congratulations to the Harhai family and best wishes to Nick in his future with the Golden Knights."
