Steel Valley Students Paint to Raise Funds

Munhall, PA – Steel Valley High School students raised \$310 for “Beverly’s Birthdays” recently by participating in a painting lesson at the Painting With a Twist studio on the South Side.

For each student who attended, the studio donated \$10 to Beverly’s Birthdays, a Pittsburgh nonprofit organization that provides birthday celebrations for children experiencing homelessness and for families in-need.

“Our Student Council recently held a drive to collect birthday cake mix, icing and candles for Beverly’s Birthdays and the students decided that making a monetary donation to them could provide even more to help,” said Steel Valley Math Department Chair and Student Council Sponsor Beth McCallister. “This is the 4th year that the Student Council has organized such an event. Each year, we plan to choose a different charity.”
