### **My Last Month as a Steel Valley Student**

High school has been an exciting time in my life. This year I am a senior and will be graduating. This last month of school has been very exciting. I was accepted to participate in a medical field program at UPMC. I will learn how to transport patients, gather materials, and other various tasks. I also was on the high school baseball team. I really enjoyed working with my teammates. We had a senior recognition night on May 2<sup>nd</sup> to celebrate the three of us graduating. I also went to Prom on May 6<sup>th</sup> at Stratigo Banquet Centre. I dressed in fancy clothes. They served us a great dinner and we had a blast dancing to the music. The last event for me at Steel Valley will be graduation. It will be held on Wednesday June 1<sup>st</sup> at Campbell Field at 7pm. I enjoyed my time at Steel Valley High School and will miss my teachers and classmates. GO IRONMEN!!!

### **Time for Summer**

There are less than three weeks until school is out for summer. There are many things I have to do. One of those things is to get a summer job. It will be so cool interacting with new people. Another thing I'll have to do is see more of my family members. I know that just because I will have a summer job, does not mean that I won't have fun in the summer because I know that I will. I am planning on going to Sandcastle and Kennywood. I am very excited for summer. What will you do this summer?

### iPhone 13 ProMax

There is a new phone called the iPhone 13 Pro Max. The iPhone comes in the colors of blue and green. It has 3 cameras on the front of the phone. When you buy the phone, it comes with a white charging cable. The iPhone 13 Pro Max is the best phone!

### Football 2022

I made it on to the Steel Valley Football Team and my mom and dad are very proud of me. I may possibly be playing the position of running back. I hope that I get the opportunity to play. I was just fitted for my helmet and the school has even helped provide me with a free physical. I am very excited for Football next school year!

### SV Spring Choral Concert

The Steel Valley middle school and high school chorus concert was on May 10<sup>th</sup>. It was a fun time. We sang songs like "We Don't Talk about Bruno," "Bohemian Rhapsody," "A Million Dreams," "Hamilton," and "Mamma Mia." The Chorus Concert took place in the auditorium. It began at 6PM in the evening. The seniors sang their songs first and then we had the middle and high school choir sing. It was one of the best concerts yet!

### Pittsburgh Penguins Playoffs

The Pittsburgh Penguins made it to the Stanley Cup Playoffs. They began their series on May 3<sup>rd</sup>, 2022 against the New York Rangers. They played the best of 7 games, which means they must win 4 to advance. After tying the series up to 3-3 the Penguins played on May 15<sup>th</sup>. The Penguins lost and will not be advancing to the next round of the Stanley Cup Playoffs. Hopefully, next year they can do better.

### SV Prom 2022

I went to Prom. It was at the Stratigos Banquet Centre. The Prom happened on May 6<sup>th</sup>, 2022 from 6 pm until 10 pm. I got to the Prom by car. I was able to bring a friend with me to the Prom. It was a great time!

### This Summer

This summer I will play football with my friends. I will play basketball by myself. I will play Uno cards with my family. I will also go to Florida in the summer. I will go to Universal Studios and ride roller coasters with my family. I can't wait for this Summer!

### A Creative Story: The Bike

There is a boy that got a bike. He got the bike from a bike shop. He rode the bike to the park. While he was at the park, he saw a friend. They went back home to play video games. When they got home, they decided to play a game called 2K. They boy was excited he had a bike!

### Mon Valley Nurses Aid

At Mon Valley, I attend the nurses aid program. I just learned how to massage hands and feet. We learned it takes 3 minutes to massage each hand and foot. We work on this skill on Mondays and Fridays. On Tuesdays, we do paperwork and talk about how to set beds for older people. On Wednesdays, we take the kids who are in wheelchairs down to the gym and we work on doing laps together. On May 12<sup>th</sup> we had a Bingo Game Day. I enjoy the Nurse Aid Program at Mon Valley.

### Easter 2022

Easter is a time you celebrate with family and friends. I was dressed for church on Easter, then I went to an Easter party after. People make food on Easter with their family and friends. Easter is one of the main holidays in the Christian Religion. Easter is usually a joyful time as lent ends. Many people worldwide celebrate Easter with services, music, flowers, ringing of bells, and more. I enjoyed my Easter because I was able to spend time eating food with my family and friends.

### A Creative Story:

#### Trapped Outside the House

Louis Carter was a very forgetful guy. In fact, Louis was so forgetful that he once forgot to bring money with him when he went to the grocery store. Long story short, this is the story of how he locked himself out of his own home. Louis went outside to get some fresh air and as he reached down for the newspaper, he heard a slight creak along with a "BOOM!" It was like the sound of a door closing. Louis tried to open the door but it wouldn't budge. It was locked from the inside. Louis's bad luck strikes again. Louis tried to get into his home any way he could. He tried through the window, the chimney, and the backdoor. They all seemed to be locked though. As if matters couldn't get any worse, it was a pretty cold morning outside and Louis was wearing his comfy robe. Louis sat outside in the cold for hours! He was thinking of ideas how to get back in, until he realized that the entire time, he had a backup key hidden under his welcome mat. Louis's bad luck strikes again!
