There will be a student government meeting on Wednesday, September 23<sup>rd</sup>, at 11 a.m. an invite for the Zoom link was sent to student Gmail accounts, and the link has also been posted in Google Classroom.

Please ensure that your child is completing the daily attendance form. We cross-check with our staff to gain as a complete attendance count as possible but completing the daily attendance form assists with this procedure.

A reminder that students are to use their real names on the Google Classroom and Zoom platforms. If a made-up name is used, the student may not receive credit for materials submitted or may not be allowed to enter the Zoom session.
