

A message from Dr. Johnson:

Hello, from Steel Valley Middle School. Here are the announcements for the week of November 15th.

In-person learning will resume this week with Maroon a.m. and Gold p.m. sessions; students will report at their assigned times. Friday will be a live remote day for all classes.

A reminder that students should still complete the daily attendance form sent to their Steel Valley Gmail account.

Parents and guardians, if you have not yet signed up for a sapphire account, you can do so on the District website. Sapphire is an ideal way for you to keep track of your child's attendance, view their grades, receive school notifications, and communicate with their teachers. Sign up is very easy, and if you have multiple students in the district, you only need to sign up once and enter every child's name.

Is your child having problems logging into their Google Classrooms? Contact our tech department at 412-464-1551 for tech issues.

That concludes the weekly announcement. Have a great evening.
