

September 5, 2018

Dear Parents and Guardians,

My name is Erin Noblet, and I am the student government advisor here at the middle school. This is my third year as advisor and I find the work with this organization to be very refreshing. You should be very proud of your child for taking the first steps to growing their leadership skills and helping to build a stronger community here at Steel Valley Middle School.

Please review the printed Keynote presentation that I discussed with the students today at our meeting. I outlined my goals for the program as well as some scheduled fall events. For the month of September, I want to focus on team building and building school spirit. Please note the following activities and dates for the month of September. Although not mandatory, they are strongly encouraged. We will be cheering on our Ironmen at both sporting events and then participate in some team building exercises led by some STREAM students later in the month.

- MS Volleyball Game: **Tuesday, Sept. 11 @ 3:30** in the middle school gym.
- MS Soccer Game: **Tuesday, Sept. 19 @ 3:45** at Campbell Field
- STREAM team building meeting: **Wed. Sept. 26 @ 2:50** in the Creating Value room.

On the back of this letter, you will find directions to sign up for our group on the Remind App. Please sign yourself and your child up if they have an email address. Remind does have restrictions for children under 13, but the benefits of this app far outweigh the drawbacks. The Remind app is also available on student iPads under Self Service. I use this app A LOT to communicate upcoming events. I will send updates to the SVMS Facebook pages as well. Students are welcome to come speak with me during Keystone and I have a wall of events outside my classroom (Room 23) with upcoming events, sign-up sheets, etc.

Please contact me with any questions or concerns throughout the school year. I am always open to project ideas and will seek out parent volunteers for different projects throughout the year. Please keep this letter for your reference to September events and my contact information.

Thank you,

Erin Noblet
