**STUDENT GOVERNMENT**

---

## WHO AM I?

- ▶ Ms. Noblet, 5-8 Special Education Teacher
- ▶ With a pass, you can come talk with me at Room 23. My preference for student government business is during Keystone/HR. My room is in the 7th grade hallway next to the bathrooms and across from the office.
- ▶ You can also reach me through the Remind App (we will talk about that in a minute).
- ▶ My email is [enoblet@steelvalleysd.org](mailto:enoblet@steelvalleysd.org)

# STUDENT GOVERNMENT MEETINGS

- ▶ We will try to meet twice a month especially around upcoming projects.
- ▶ When we have formal meetings, I will plan them for Wednesdays. Other meeting dates will vary depending on the activity.
- ▶ I will try to give at least 3 days notice to scheduling a meeting. Listen to announcements and check Remind messages. I also try to update parents on the SVMS Facebook page and SVMS PTO page.
- ▶ You must attend meetings. Attendance will be tracked this year. No more than one absence per nine weeks period. \*\*There will be an alternate meeting date for fall and winter sports.

---

## BY JOINING STUDENT GOVERNMENT, YOU ARE COMMITTING TO:

- ▶ **Using good character.** This is something I want to really focus on this year. We can't truly be student leaders if we are "breaking" each other down. This goes for those in our organization and our peers in school. Let's stand tall with good character.
- ▶ **Attending meetings and activities.** Please make every attempt to attend the planned meeting or alternate next day meeting (i.e. those involved in fall and winter sports) Attendance will be tracked this year. No more than one absence per nine weeks period. In other words, you have to be involved to be included in the yearbook photo :)
