Dear Parents and Guardians,

Each school in Pennsylvania receives a Building Level Academic Score that is based on a number of factors, including student achievement and growth. Increasing this score is not easy, and it is very difficult to "pass up" other schools, since all schools are striving to improve. Two years ago Park passed 43 schools in Allegheny County, in districts such as Bethel Park, Keystone Oaks, and Moon.

Last year, Park passed 80 more schools – this time in districts like North Allegheny, Pine Richland, and Upper St. Clair. Lists of the schools we've passed are attached. The entire Park staff would like to thank you for all you have done to make this happen – we couldn't have done it without you. There are 55 schools left, and this year we will cross many more of them off the list. Thank you in advance for your continued support.
