Dear Parents and Guardians,

For the fifth consecutive year, our School Wide Positive Behavior Interventions and Supports (SWPBIS) program will be formally recognized by the state. The program encompasses school culture, student discipline, communications, safety, and security. A teacher-led team oversees this program, and I would like to recognize the following staff members for going above-and-beyond to make this happen:

Mrs. Brandi Chalus	Counselor
Mrs. Lori Mehalik	Kindergarten
Mrs. Shannon Fry	Kindergarten
Mrs. Becky O'Shell	Fourth Grade
Mrs. Holli Bobick	Paraprofessional

I would also like to thank the entire Park Elementary staff for their hard work. During these challenging times, it is more important than ever for school to be a safe and welcoming place for students, and everyone in the building plays a role in making that happen.

Finally, thank you for your continued support. Attending events, volunteering to help out, posting positive comments on social media, and just being another smiling face for students to see at Arrival and Dismissal all helps to make the school a better place!

Sincerely,

Dr. Thomas Shaughnessy
