

Hi boys and girls!

Third and fourth graders, good luck on your English Language Arts tests next week. You have been working hard all year – just try your best, and you'll do great!

Kindergarten, first, and second graders – let's be on our best behavior next week so the big kids can concentrate!

Please remind your parents that After School Clubs are over, except for Girls on the Run.

Have a nice weekend boys and girls, and I'll see you on Monday.
