

Hi boys and girls!

Your teachers talked to you this week about how you should behave in the bathroom. You've been doing a good job, and I hope you keep it up all year. Remember:

- We get in and get out
- We flush the toilet, wash our hands, and throw our trash away
- We keep the bathroom clean
- We use our inside voices
- We take turns
- We respect the privacy of others
- We use nice words

I love to read and am really looking forward to the Scholastic Book Fair next week! And I can't wait to see all of your smiling faces on Wednesday for the School Pictures!

Please remind your parents that there's an early-dismissal on September 26th. Also, please remind them to send in written excuses when you're absent.

Have a nice weekend boys and girls, and I'll see you on Monday.
