

Hi boys and girls!

Your teachers talked to you this week about how you should behave at recess. Remember:

- We follow directions the first time they're given
- We take care of the equipment
- We use nice words
- We show good sportsmanship
- We clean up when it's time to go inside

Please remind your parents that there's an early-dismissal next Tuesday.

You all looked very nice for your School Pictures on Wednesday, and the Scholastic Book Fair was great. I'm going to read a good book this weekend, and I hope you do too.

Have a nice weekend boys and girls, and I'll see you on Monday.
